

Student Rewards

Each student has a black book to collect their commendations in.

Commendations can be given by adults in the school for good work and behaviour. They should be given if the student has done something special.

KS3 - Please sign their black book and put a sticker in

KS4 - Please sign their book

Key Stage Rewards

Each Key Stage group is working towards a **£5.00** target. Students earn coins through good behaviour and working well together. Each time the target is reached, students from that key stage will cash in their reward for a fun trip out together.
